

How to do online Youth Protection Training

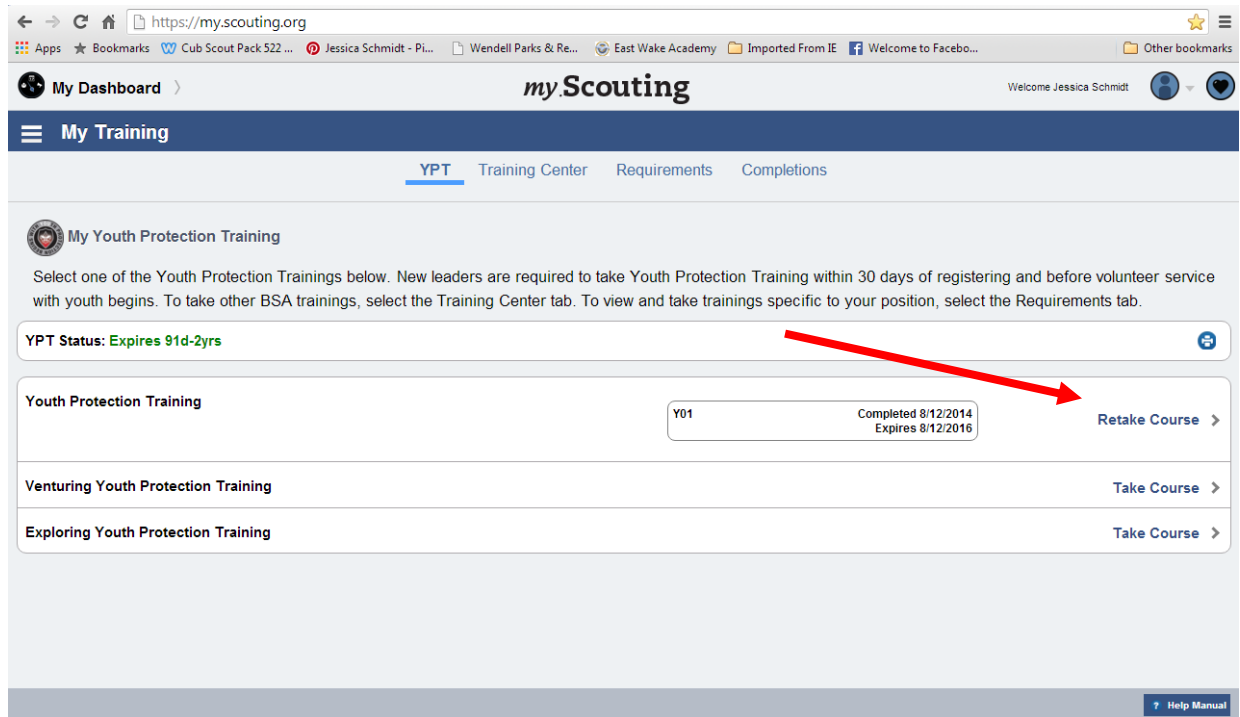

- 1) Go to www.my.scouting.org

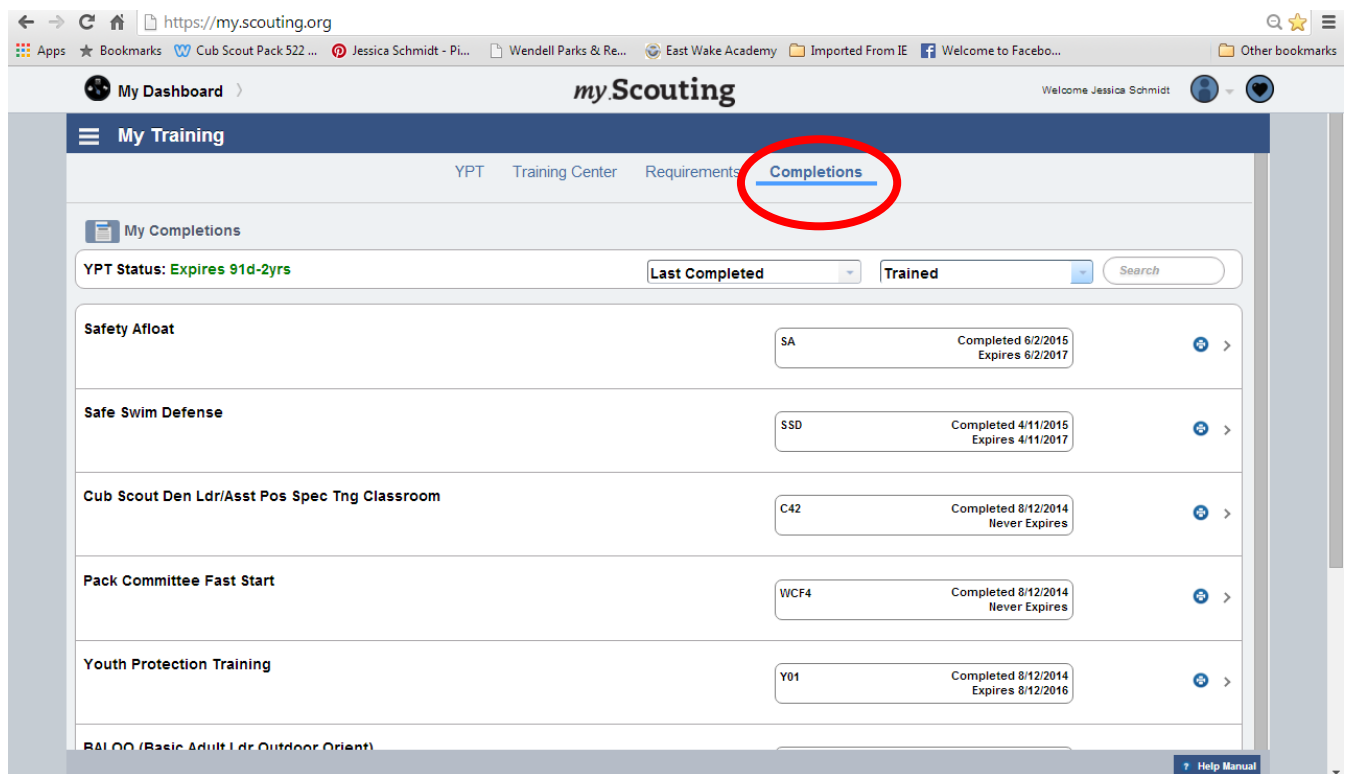

- 2) If you have an existing account (registered prior to this scouting year), input your credentials and click Sign In. If you forgot your username and password, click the corresponding link and follow the prompts.
- 3) If you do not have an existing account (new registered adult this year), click create account and follow the prompts.
- 4) After signing in, you get to the new my.Scouting homepage. Click Youth Protection Training picture.

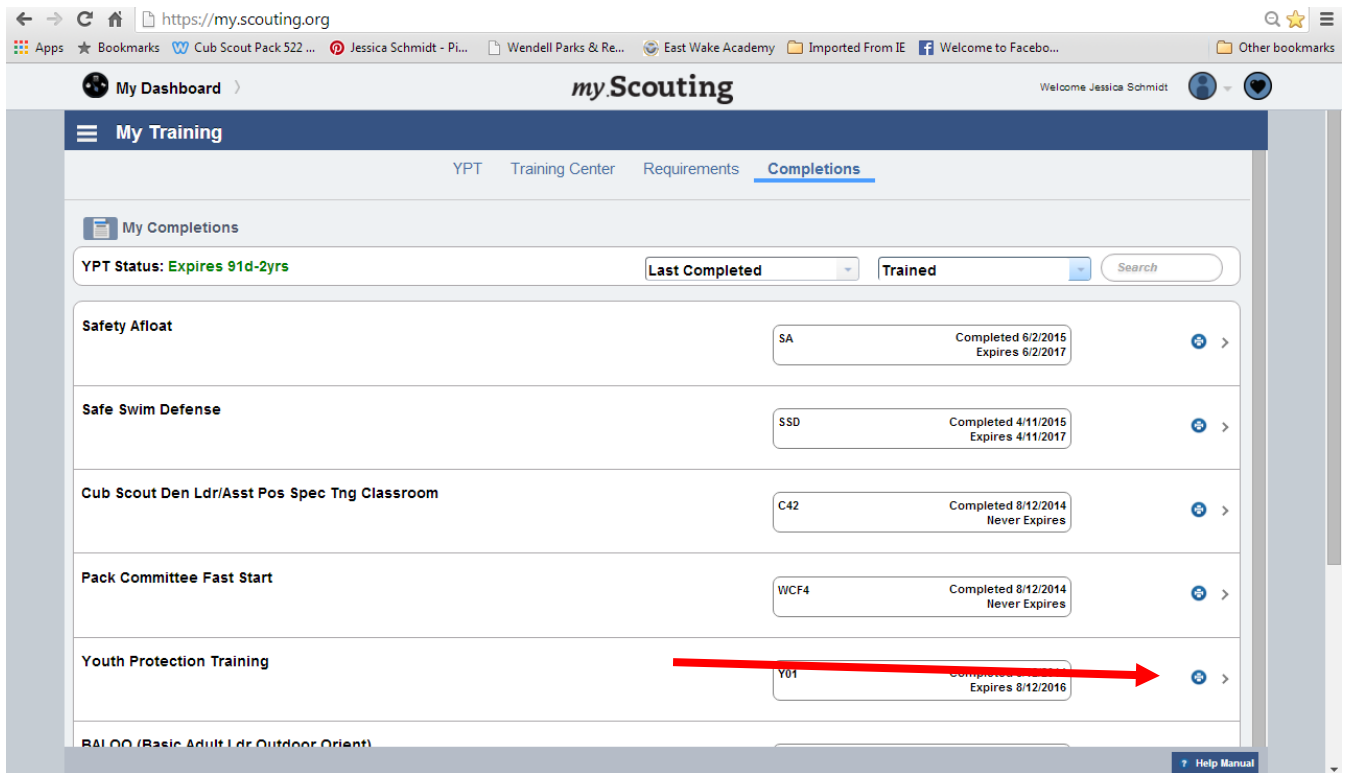

- 5) If you've never taken the course, click Take Course next to Youth Protection Training. If you've taken the course in the past, click Retake Course.

- 6) After completing the course, click on the Completions tab to see a list of the training you've completed

- 7) Click the Printer icon for the Youth Protection Training.

- 8) A PDF copy of the certificate will be generated. Print a copy of the PDF file to provide to Pack Committee Chair or Pack Trainer.
